Concerto is a comprehensive line of transitional office furniture scaled to work within the wide range of Federal office environments and administrative spaces.

Credenza bases, desks and credenza upper storage units can be configured to meet specific office requirements. Double pedestal desks and secretarial desks with return tops allow for "L" and U-shape configurations. The Concerto line includes cabinets for telephones, computer and wardrobe requirements. In addition, there are lateral files, bookcases, mobile pedestals, occasional tables and conference room tables.

MATERIALS AND FABRICATION METHODS

MATERIALS

Veneer The 1/32" veneer is grade "A" Cherry, plain-sliced, book-matched without knots or

objectionable grain distortion.

Hardwood All exposed substrate edges are solid Cherry hardwood.

Finishes A multi-step finish using environmentally friendly water based materials, which include

stains and multiple coats of sealer and lacquer, gives the furniture a medium gloss finish. All drawer boxes have a clear UV finish on birch. All furniture pieces have a flush,

fully finished back.

DESIGN FEATURES

Pencil Tray Desk center drawers feature maple hardwood pencil trays.

Drawer Slides Slides are 100-pound rated, ball bearing slides with full extension.

Lighting Accent down lights are standard with credenza upper bridges.

File drawers feature adaptable rails for letter and legal filing. Desk and credenza file

drawers provide 24" and 16" file depths. Lateral file drawers allow front-to-back vertical

filing and side-to-side lateral filing.

Wire Management Wire management grommets are located on the sides of desks and desk returns as well as

on the sides and worksurfaces of the corner transition units. They are also provided in credenza kneehole areas at the rear of the worksurface and at the top of the modesty

panel below.

Locks All file drawers have locking mechanisms.
